

# Don't U Cry

SpaceMan Zack

I'm alright (I'm alright)  
I'm alright, oh  
Don't you cry (Don't you cry)  
Not tonight, oh  
I'm alright (I'm alright)  
I'm alright, oh  
Don't you cry (Don't you cry)  
Don't you cry  
I'm gonna make it out a (What? What?)  
I'm gonna make it out alive (What? What?)  
I'm gonna make it out a (What? What?)  
I'm gonna make it out, I'm tryin'

No more lyin' (What?)  
I'm still tryin'  
Whip all matte black  
Ain't no hatchback  
Might die right up inside it (What?)  
No more cryin' (What? What?)  
Ain't no cryin' when I crash that  
Match up to the gas cap  
Might fuck around and light it (What? What? What?)  
I might fuck around blow  
I don't care which way I go  
When I'm underneath the stone (What? What? What?)  
They gon' say I was the one  
Shit, the only truth they told when they cryin' over my ghost (What? What? What?)

(I'm alright, I'm alright)  
(Don't you cry, not tonight)  
(I'm alright, I don't mind)  
(Don't you cry, don't you cry)

I'm alright (I'm alright)  
I'm alright, oh  
Don't you cry (Don't you cry)  
Not tonight, oh  
I'm alright (I'm alright)  
I'm alright, oh  
Don't you cry (Don't you cry)  
Don't you cry  
I'm gonna make it out a (Huh, what?)  
I'm gonna make it out alive  
I'm gonna make it out, I'm tryin'
