

# Drippin

SpaceMan Zack

I put the drugs in my brain gettin fucked up for nothing  
I been flexin been a minute since I spoke to my mother  
Paper chasin been a minute since I rode w my brother

Haven't felt the same way since I mixed my sprite with the color  
Shawty don't even know my name but she love when I'm fuckin  
Put her ass out on the table now I'm up in her tummy

Got my pants around my ankles she gon switch up and suck it  
Now she want me to cuff her You know I can't love another  
They ain't fuckin with the kid see me rockin the come up

J money in the east that's my motherfucking cousin  
Move to Texas for a minute now they love that I'm southern  
Catch a plane to LA and Imma fuck up the function  
Imma fuck up the function

Way that I been livin lately I'm to fucked up to function  
Drop a pill in the water now my body go number  
Abusing every substance till I'm floating above em

Baby girl wanna come and do drugs with me  
Baby lie and tell me you in love with me  
Take a line pop a pill fuck it up with me  
I been drippin so pretty but we ugly
