

Drugs In The Rain

SpaceMan Zack

Now I got drugs in my brain
You make me feel like I'm insane, yeah
I got ice in my veins
You make me colder than the rain

Now I got drugs in my brain
You make me feel like I'm insane, yeah
I got ice in my veins
You make me colder than the rain

Now I can't stop falling
On you and the world
But I can't stop calling
Still, need you to be my girl

Now I can't stop falling
On you and the world
But I can't stop calling
Still, need you to be my girl

And I know I've been on the road
I don't know when I'm coming home
I shared my bed a couple hoes
I just don't like to sleep alone
You broke my heart and girl I get it
No, I'm nothing just forget it
Got your smell stained on my clothes
That's why I live the way I'm living (yeah)

But nobody make me feel like the way that you do
And nobody make me feel shitty as you do
And nobody make me as sad as much as you
But I'll never love nobody else like you

Minnie Driver: "Don't put your shit on me when you're the one that's afraid."
"

Matt Damon: "I'm afraid? What am I afraid of? What the fuck am I afraid of?"

Minnie Driver: "You're afraid of me! You're afraid that I won't love you back! You know what, I'm afraid too! Fuck it, I wanna give it a shot! At least I'm honest with you."

Now I got drugs in my brain
You make me feel like I'm insane, yeah
I got ice in my veins
You make me colder than the rain

Now I got drugs in my brain
You make me feel like I'm insane, yeah
I got ice in my veins
You make me colder than the rain

Now I can't stop falling
On you and the world
But I can't stop calling
Still, need you to be my girl
