I don't really know myself anymore (Yeah)
So baby close the door
I think I'm dying I don't wanna do this anymore (Yeah)
And now I can't enjoy anything when I wake up
And my body sore (Yeah)
She wanna fuck me more
Diamond chain wrapped around my throat
Feet off the floor (Yeah)
You won't see me no more
I don't really think I know myself anymore (Yeah)
So baby close the door
I think I'm dying I don't wanna do this anymore (Yeah)
And now I can't enjoy anything
When I wake up and my body sore (No)
She wanna fuck me more
Diamond chain wrapped around my throat
Feet off the floor (Yeah)
You won't see me no more

So baby tell me that you want me now (Yeah, yeah, yeah)
When you screaming out my name
Know I love that sound (No, no, no)
And baby tell me that you hate me now (Yeah, yeah, yeah)
Fingernails in my back til the blood drips down (Yeah, no, no)

I don't really know myself anymore (Yeah)
So baby close the door
I think I'm dying I don't wanna do this anymore (Yeah)
And now I can't enjoy anything
When I wake up and my body sore (Yeah)
She wanna fuck me more
Diamond chain wrapped around my throat
Feet off the floor (Yeah)
You won't see me no more
I don't really think I know myself anymore (Yeah)
So baby close the door
I think I'm dying I don't wanna do this anymore (Yeah)
And now I can't enjoy anything
When I wake up and my body sore (No)
