

# Hangover

SpaceMan Zack

I've been feeling a little bit under the weather  
And lately I'm feeling like I'm under the pressure  
And, man, I hate this, everyone around me can fuck off  
I'm immature and I don't think I'll get better  
I'm going out my mind tryna keep it together

Every time I fall, I get back up  
And I do it on my own

Look at me, I'm a mess but I do it myself  
I don't need anybody I don't want no help  
I'm a kid doing shit, probably bad for my health  
I don't care when I wake up in the morning, I'll be fine  
Look at me like I don't know what I'm talking about  
Let me speak, telling me that I'm going to hell  
I don't need anybody telling me what I am inside  
'Cause I'll be fine

I've been getting sick of everybody's opinion  
And they've been tryna tell me how I should be living  
I think I hate you, so I'ma just tell you to fuck off  
I'm dying slow but I'm living fast  
I sip a bottle and I spend my cash, yeah

Every time I fall, I get back up  
And I do it on my own

Look at me, I'm a mess but I do it myself  
I don't need anybody I don't want no help  
I'm a kid doing shit, probably bad for my health  
I don't care when I wake up in the morning, I'll be fine  
Look at me like I don't know what I'm talking about  
Let me speak, telling me that I'm going to hell  
I don't need anybody telling me what I am inside  
'Cause I'll be fine

Look at me, I'm a mess but I do it myself  
I don't need anybody, I don't want no help  
I'm a kid doing shit, probably bad for my health  
I don't care when I wake up in the morning, I'll be fine
