

I got pain in my body they don't know how I feel
I see faces when I'm high and I don't know what's real
Anymore, anymore
I don't know
I don't know
I don't know

I don't really see nobody that can do what I do
Imma die on my own but shawty live in my room
That's fasho that's fasho
I don't know
I don't know
I don't know

Made a couple songs baby now they think I'm famous
When they see me out in public I don't know their faces
It's amazing I feel crazy lately I get jaded
Now I'm fading they won't notice when I'm in my grave so

I got pain in my body they don't know how I feel
I see faces when I'm high and I don't know what's real
Anymore, anymore
I don't know
I don't know
I don't know

I don't really see nobody that can do what I do
Imma die on my own but shawty live in my room
That's fasho that's fasho
I don't know
I don't know
I don't know
