

# Nostalgia

SpaceMan Zack

I remember way back when  
Everything was good yeah  
Everything was exactly the way it should've been  
Everyone was happy all the time yeah  
Everyone was happy smiles and the family days  
Everything was simpler back then  
Oh, everything was good

Ooh ooh ooh  
Ooh ooh ooh  
Ooh ooh ooh  
Ooh ooh ooh ooh

I should call dad and say I love him  
And thank you for this world  
I'm sorry that I been trouble  
But it's hard out here for your boy  
I worked hard and got some money  
And you taught me all of that  
But I know the world's hungry  
It'll eat you like a snack  
I fall back to my ways of the past  
I tried hard but the devil's on my back  
I don't know  
How I should make it anymore  
I get clean and I start living right now  
You got my back cause this life is a fight now  
I love you  
But I been losing every score

I remember way back when  
Everything was good yeah yeah  
Everything was exactly the way it should've been  
Everyone was happy all the time yeah  
Everyone was happy smiles and the family days  
Everything was simpler back then  
Oh, everything was good

Ooh ooh ooh  
Ooh ooh ooh  
Ooh ooh ooh  
Ooh ooh ooh ooh
