Spacemen 3

Just to see you smile  
Just to see you smile  
Again

Honey, oh, I'd like to walk you home, babe  
Walk you home, babe  
I'd like to walk you home  
Don't ever change, babe  
Don't ever change  
Just to see you smile  
Just to see you smile  
Again

I'll love you 'till the end of time  
'Till the end of time  
I'll always love you  
Just to see you smile  
Just to see you smile  
Again

Honey, oh you know I love you, babe  
You know I love you babe  
You know I love you  
You know I do, babe  
You know I do  
Oh, just to see you smile  
Just to see you smile  
Again

Honey, don't ever change babe  
Just to see you smile  
Just to see you smile  
Again
