Hey babe  
You got somethin'  
Somethin' special  
I only dreamed about

You're so special  
You got somethin'

Just the way that you walk  
Just the way that you smile  
Just the way that you laugh when you're talkin' to me  
Makes my life worthwhile  
Come on babe  
You got somethin'  
Somethin' special  
You really knock me out  
Honey child  
Come on closer  
You got somethin'  
Most people dream about  
Oh honey  
Ah, you look so sweet  
Yeah babe  
Ah, you look so neat  
Just the way that you walk  
Just the way that you talk  
You got somethin'  
Most people dream about

Just the way that you walk  
Just the way that you talk  
Just the way you [...]
