

Sorry Instead

Spacey Jane

[Verse 1]

In the summer of '16, I lost my mind
You thought it was a bad thing, I thought it was fine
And when we talked about it, I started to cry
You said, "Boy, what's the problem?"
I told you that I wanted to die

[Pre-Chorus]

Ah, oh, oh
Oh, oh
Wanted to tell you more but I get the feeling you don't care

[Chorus]

You pulled up in the driveway, I'll admit
Never knew what was on your mind but it was clear
Stay with me, ooh, ooh, ooh
Could've pled my case but I said sorry instead

[Post-Chorus]

Sorry instead

[Verse 2]

Looking around like I could give a f*ck
I'm thinking of you
I got a feeling something's changed
And I'm waiting to see if it's true

[Pre-Chorus]

Ah, oh, oh
Oh, oh
Wanted to tell you more but I get the picture, so f*ck you

[Chorus]

You pulled up in the driveway, I'll admit
Never knew what was on your mind but it was clear
Stay with me, ooh, ooh, ooh
Could've pled my case but I said sorry instead

[Bridge]

A number I don't know keeps calling
Staring at the bedside glowing
I'm dreaming of a winter drive
Wake up when the wheels start sliding
The chances of it working falling
Everyone around me knows it
It's everything that I have dreamed about
I'm gonna see myself out, ooh

[Chorus]

You pulled up in the driveway, I'll admit
Never knew what was on your mind but it was clear
Stay with me, ooh, ooh, ooh
Could've pled my case but I said sorry instead

[Outro]

Ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh
