Spacey Jane

The story so far is that it's fucked up now  
Believe it or not, I would have stuck around  
And the worst is still, and the worst is now  
Wake up in the dark  
I don't wanna do this tonight, but

September, you watched me come undone as you said  
"Remember the backyard sprinklers getting me wet?"  
I always surrendered, eighteen, where was my head?  
Whatever, I'll think of you forever  
Whatever, I'll think of you forever

I'm a mess, talking to a stranger, and  
She's getting dressed, doesn't even know my name  
And the worst is still, and the worst is now  
Wake up in the dark  
I don't wanna do this tonight, but

September, you watched me come undone as you said  
"Remember the backyard sprinklers getting me wet?"  
I always surrendered, eighteen, where was my head?  
Whatever, I'll think of you forever

Remember eighteen  
You can't talk to me like that anymore  
Calling me crazy, saying, "Fuck you," before slamming the door  
I always surrendered, eighteen, where was my head?  
Whatever, I'll think of you forever

September, you watched me come undone as you said  
"Remember the backyard sprinklers getting me wet?"  
I always surrendered, eighteen, where was my head?  
Whatever, I'll think of you forever

September, you watched me come undone as you said  
"Remember the backyard sprinklers getting me wet?"  
I always surrendered, eighteen, where was my head?  
Whatever, I'll think of you forever  
Whatever, I'll think of you forever
