

Only When You Leave

Spandau Ballet

Laying in the after glow,
I only want to learn what you know,
But now you're leaving...
How many hearts must you break?
How many calls must I make?
But now you're leaving...

In this world, all that I choose has come unbearable
But love is in your touch
Ooh, it's killing me so much

Only when you leave
I need to love you
And when the action has all gone
I'm just a little fool enough to need you
Fool enough too long
Only when you leave, you'll leave in danger
Oh, I'll make sure that you pay
So give a little passion to a stranger
And take this soul away

I only want to make this things last,
So how could this have gone so fast?
And now you're leaving...
How many times must I learn?
It's only when you've gone that I burn,
And now you're leaving...

In the end, all that I left has come unbearable
It's hard to change your mind,
So leave it all behind

Only when you leave
I need to love you
And when the action has all gone
I'm just a little fool enough to need you
Fool enough too long
Only when you leave, you'll leave in danger
Oh, I'll make sure that you pay
So give a little passion to a stranger
And take this soul away
