

Uhh, on the 3-6-5

On the bottom of the ocean, when I'm gone my brother I'm alive

My words, my song, my people, my mask won't die

But I rather go to hell than to live the hell that I'm livin' n

ow

Man

On the 3-6-5

Rock bottom of the rock problem everyday I'm stuck getting high

Every shop every bag is a price tag that I can't buy

Ladies and gentlemen

He's back

From the ash

From the grave

And the Platoon is with him

One day

One eye

Worldwide on the thorough side

You one guy, one time, One day grabs me

Worldwide on the thorough side

Bout to blast heat 4... straight side of things

Livest kings, some... (DJ)

Dirty South (dirty, dirty)

Can y'all really feel me (feel me)

East Coast, feel me (say what)

West Coast, feel me (uh huh)
