

# Goin' Robbin'

Spark Master Tape

Now I ain't no-one to talk about guns  
But I wanna get paid  
Wanna make a million dollars an hour  
I wanna push a billion dollars a day  
I wanna get rich  
Run up on the whole gang with a AK  
We goin' robbin'  
Run up on the whole gang till we paid  
Now I ain't no-one to talk about guns  
But I wanna get paid  
Wanna make a million dollars an hour  
I wanna push a billion dollars a day  
I wanna get rich  
Run up on the whole gang with a AK

We goin' robbin', we robbin'  
We goin' robbin', we robbin'

(I wanna get rich) Speak my name with uncertainty  
My adversaries in a box  
And they never had a chance to meet me personally  
Been a calloused killer fuel the fire with an urgency  
Every last foe is now a medical emergency  
And if you heard of me or even verbally discuss the Platoon  
Made a rap for the Gods, strike up the new blood moon  
Slayed the wrath of the law, cause we ain't comin' home  
It's paper 'til we die or 'til we fukkin' toast

We goin' robbin', we robbin' (everybody wanna talk, everybody wanna talk)  
We goin' robbin', we robbin' (everybody wanna talk, everybody wanna talk)

I got visions of my death in 4K  
Got a DVR so I been watchin' this shit all day  
And social media got the world played  
Encyclopedia of how the world is bitterly vain  
I had a hit of the 'caine to feel a bit of my brain  
I had to literally slay to get my feet in the game  
Undefeated we claim I stick with niggas to clay  
Squad will never sell out to these devils again, woohoo

We goin' robbin', we robbin' (everybody wanna talk, everybody wanna talk)  
We goin' robbin', we robbin' (everybody wanna talk, everybody wanna talk)
