

Don't Know Why

Sparkle

What's going on?
Tell me what's up
Do you wanna know why
This woman's fed up
People running their mouth
But they don't know
I might as well changed my name to Jackie O
Drama filled life, no privacy
Them fuckin' magazines keep lyin' on me
Sometimes I wanna fly
Far, far away
But there'll be somebody there
With something else to say

I don't know why
Why you wanna talk about me
I don't know why
Why they keep on lyin' on me
(I don't know why)

I don't know why
Scandal must be my first name
I don't know why
Somebody tell me who's the one to blame
(I don't know)

What I do with my life
Ain't nobody's biz
What I do with my time
I wish you'd let me live
See everywhere I go
Your cameras follow me
Don't you know frames cover my eyes?
So my tears you never see
Tell me how much more
Do you think that I can take
Have the chauffer drive me home
Paparazzi's at my gate
Try to ruin me, I ain't gonna let you do
Got a call from the Marshall firm
Somebody else wanna sue

I don't know why
Why you wanna talk about me
I don't know why
Why they keep on lyin' on me
(I don't know why)

I don't know why
Scandal must be my first name
I don't know why
Somebody tell me who's the one to blame
(I don't know)
