Uhhh uhhh uhhh...

You see me you see him  
My best friend  
He hold me down like anchors fightin' the waves

The partner to my crime  
Yea I'd do time  
Til I'm with you  
I'd be countin' the days

Yea ooo...  
Been through so many thangs... but we always get through  
Yea ooo...  
Ain't always perfect but it's worth it... this is deeper than the surface

If I said I didn't love you... you and I know I'd be frontin'  
Wiped all of my scars away... like it was nuthin'  
Took the parts of me I try to hide and make 'em sumthin' sumthin'  
Like it was nuthin'

Oooo... it's sumthin 'bout you baby  
Oooo... you know you drive me crazy  
Oooo... you give me peace of mind  
Oooo... let me tell you why

You make it ea...say  
To take it ea...say  
Feel so ea...say  
Easy to love

You make it ea...say  
To take it ea...say  
Feel so ea...say  
Easy to love

I never thought that I would give it to ya  
But now I don't think it's a time I won't do it  
I think it's cuz the way you talk to me  
Know how to say it without makin' me feel little

You gracious even when you pop off on me  
When you get done I got a lil sumthin' to drop off on ya  
Because you earned it with the time you took to put it that way  
You got me likin' to get put in my place

If I said I didn't love you... you and I know I'd be frontin'  
Wiped all of my scars away... like it was nuthin'  
Took the parts of me I try to hide and make 'em sumthin' sumthin'  
Like it was nuthin'

Oooo... it's sumthin 'bout you baby  
Oooo... you know you drive me crazy  
Oooo... you give me peace of mind  
Oooo... let me tell you why

You make it ea...say

To take it ea...say  
Feel so ea...say  
Easy to love
