Everything

Sparkle

Everything (Oh)
Oh ooh oh
Everything
Oh ooh oh

Let me stop and take some time to talk about
How you came into my life and turned it 'round
When I met you, you knew I was all alone
Then you came into my heart and made it whole
(Made it whole)

Now everyday I get down on my knees and pray
(Yes, I do)
Already knowin' every word I'm gonna say
How you're keepin' me (How you're keepin' me)
You look after me (Lookin' after me)
How you're lovin' me (How you're lovin' me)
And I wanna thank you right now for

Everything that you've done (Yeah, yeah)
Everything that you've done
Everything that you've done for me
(You've done so much for me)
Everything that you've done
Everything that you've done
Everything that you've done for me
(Listen to what I say)

Now you know I thought that I could do it all
Only to end up with my back against a wall
Then you took me over to the other side
And now you carry me, I let you be my guide
(Be my guide)

Through my tests and trials
I know you'll be right there (Yes, I will)
I don't have to worry, I don't even have to care
Because you're keepin' me (Cause you're keepin' me)
Lookin' after me (Lookin' after me)
Steady lovin' me (Lovin' me)
See, now I need to thank you now for

Everything that you've done
Everything that you've done
Everything that you've done for me
(Everything that you've done, that you've done)
Everything that you've done
Everything that you've done
Everything that you've done for me (Oh)

Everything that you've done (Wanna thank you)
Everything that you've done
Everything that you've done for me
(See, I wanna thank you)
Everything that you've done (If you knew)
Everything that you've done
(How you make me feel inside)

Everything that you've done for me
(See, I don't know)

I don't know why you love me so (Love me so)
You make me whole, see, I don't know (Ooh-wee, yeah)
Why I can wait (I can't wait) till I get home
So I could let you know I thank you for everything
(Thank you)

I don't know (Yeah) why you love me so (Love me so)
You make me whole (Make me whole), see, I don't know
See, I can wait (I can't wait)
'Till I get home (I get home)
So I could let you know I thank you for everything
(Thank you)

Everything that you've done (Thank you)
Everything that you've done (Thank you)
Everything that you've done for me (Just gotta say it)
Everything that you've done (Thank you)
Everything that you've done (Thank you, boy)
Everything that you've done for me

Everything that you've done
Everything that you've done
Everything that you've done for me (For showin' up)
Everything that you've done (Showin' up)
Everything that you've done
Everything that you've done for me
(In my life, thank you)

I don't know (Yeah) why you love me so (Love me so)
You make me whole (Make me whole)
See, I don't know
Why I can wait (I can't wait)
'Till I get home (I get home)
So I could let you know I thank you for everything
(I thank you, I thank you, Lord)

Everything that you've done (Thank you, Lord)
Everything that you've done
Everything that you've done for me (I just gotta say)
Everything that you've done
Everything that you've done (For everything)
Everything that you've done for me
(For everything, everything you've done, oh)

Everything that you've done (Thank you, Lord)
Everything that you've done (Thank you, Lord)
Everything that you've done for me
