

## Heart of Darkness (Wiggly)

Sparklehorse

She laid her head  
On my chest  
As the sun burned  
Down the west  
There's one thing we still got  
This one last dance in this parking lot

Oh yeah, I, I got a heart of darkness  
Oh yeah, I, I got a heart of darkness

Then she woke up  
Into the fire  
And the flames kept  
Dancing higher  
Satan would laugh at her screams  
Then she woke up from her dreams

Oh yeah, I, I got a heart of darkness  
Oh yeah, I, I got a heart of darkness
