## Sparks The Rescue

Cinderella don't go  
Cinderella don't go

Tight-lipped thoughts run through my head all this afternoon  
Your calling me and telling me how I make you so blue  
Conniption fit, if the slipper don't fit  
Yeah she, she cut her wrist in the ballroom

I'll tell you one thing  
I'm no prince charming  
But if you just give me an hour  
I can turn your heart around, turn your heart around

I'll tell you one thing  
Yeah, your prince charming  
Better kiss you before it's midnight  
I'm going to turn it all around, turn it all around

Cinderella don't go  
Cinderella don't go

1 secret 2 consider 3 wishes 4 you  
I'd waste my time, sit by your side, and you had no clue  
Behind your back, your sisters laugh  
The pumpkin patch that grew for you

I'll tell you one thing  
I'm no prince charming  
But if you just give me an hour  
I can turn your heart around, turn your heart around

I'll tell you one thing  
Yeah, your prince charming  
Better kiss you before it's midnight  
I'm going to turn it all around, turn it all around

I've been trying to find your glass slipper for days and days and days, and  
days and days

Cinderella don't go  
Cinderella don't go  
Cinderella

I'll tell you one thing  
I'm no prince charming  
But if you just give me an hour  
I can turn your heart around, turn your heart around

I'll tell you one thing  
Yeah, your prince charming  
Better kiss you before it's midnight  
I'm going to turn it all around, turn it all around
