

## A Love Story

Sparks

Hold my place in the queue, you're so kind  
Gotta buy some drugs for this girlfriend of mine  
Hold my place, I'll be back in no time  
Gotta buy some drugs for this girlfriend of mine  
Hold my place, I'll be back in no time  
Don't get any ideas, she is mine, all mine  
Hold my place, you know theft is a crime  
Don't get any ideas, she is not your kind

Ain't my thing, it's her thing  
Ain't my thing, it's her thing  
Ain't my thing, it's her thing  
Ain't my thing, it's her thing

Hold my place in the queue, you're so kind  
Gotta buy some drugs for this girlfriend of mine

Wait here dear, it's a hell of a line  
I'll be back with proof that my love is sublime  
Wait here dear, you are looking so fine  
I will prove that my love is a one of a kind  
Wait here dear, this here guy is so kind  
I will not lose my place, I'll be back in no time

Hold my place in the queue, you're so kind  
As I buy some drugs for this girlfriend of mine  
Hold my place, I'll be back in no time  
As I buy some drugs for this girlfriend of mine  
Got my cash and I know where to find  
Just the perfect gift for that girlfriend of mine  
Only cash, but I know where to find  
Just the perfect gift for a love that's sublime

Ain't my thing, it's her thing  
Ain't my thing, it's her thing  
Ain't my thing, it's her thing  
Ain't my thing, it's her thing

Hold my place in the queue, you're so kind  
Gotta buy some drugs for this girlfriend of mine

Ain't my thing, it's her thing  
Ain't my thing, it's her thing  
Ain't my thing, it's her thing  
Ain't my thing, it's her thing
