Annette... Annette?
You've changed so much, Annette

Yes
Yes I have
You too have changed
But... at least you're safe here, yes?
You can't drink and you can't smoke here—can you?

No, no, I can't

And... you can't kill here, can you?
Hmm... it was a joke

You are my daughter after all
No, no more killing
Only time... killing time
Have you heard that expression?

No
But now, you have nothing to love

Can't I love you?

No, not really

Annette
We don't have long
