

All The Girls

Sparks

All the girls I see
Look so great to me
But what amazes me
Is what they see in me

All the girls I see
In France and Italy
Or here in Roppongi
What do they see in me?

Am I handsome? No
(You're so handsome)
Charming, well, so-so
(You're so charming)
I'm a foreign guy
(So exotic)
Rich and drunk, maybe that's why

Hard to imagine
All these fucking men
Who hates themselves but
Want us to love them!

All the girls I see
Look so great to me
But will I ever be
Lovable again?
