

## Escape (Part 1)

Sparks

Ah, the concierge has spotted me

Mr. Bergman, sir, going for a stroll, I see. Sun is out, please leave your key with me.

Uh, yes.

Have a good day, Mr. Bergman!

They're after me!  
They're after me!  
They're after me!  
They're after me!

Bergman leaves hotel  
Shall we follow quietly  
Male Caucasian, yes, it's he, we see.

Follow quietly  
Bring him in without a scene  
He can be a drama queen, no scene.

They're after me!  
They're after me!

Got to get away  
I can tell it's me they want  
I can tell it's me they hunt, their prey

Units 1 through 10  
Do not let him get away  
Grab him you'll get extra pay, today.

He's picked up his pace  
He's aware that we are here  
We should grab him now, I fear, too late

They're after me!  
They're after me!

He's picked up his pace  
He's aware that we are here  
We should grab him now, I fear, too late

Got to get away.  
I can tell it's me they want.  
I can tell it's me they hunt, their prey.
