Sparks

The Danube flows, lovely blue
And the Seine, oh Mon Dieu
Volga's path, to Kazan
Sumida in Japan

I-405 rules

And the Thames, you must see
You can sense history

One and all
See them all
See them all
Best of all

I-405
Flows, it's alive
We take some pride
All justified
All of the rest
May stand the test
Still none compare
None anywhere
405, it's alive
405, it's our pride
Best in show
Watch it flow
Shall we go
Can't say no

I-405 rules
I-405 rules
Winding through the golden hills and it will always give me chills
The Getty Center sitting pretty, what a giant thrill

I-405 rules

And the Allegheny, Nile, and the Rhine in Deutschland
And all of them are beautiful but 405's a ten

I-405
I-405
It's alive
It's alive

Rush hour time
Still it's sublime
Drivers behave
Some even wave
Gently we flow
All seem to know
We'll be a while
Still they all smile

405, you're so fine
405, you're so fine

Seen afar, it's sublime
Sunset time, glass of wine

405, you're a dream

LA pride, like Kareem

You can travel 'round the world and see the Yangtse, Ganges too

Congo River's bound to have a big effect on you

Don't miss your chance

Way to romance
