

The Zygomatic Rap

Sparks

So, I'm here to make you laugh tonight
Yes, "Laugh, laugh, laugh..."
I'm not sure I can do it tonight
Not sure I should even try

Yes, why should I activate your ventromedial prefrontal cortex
So your fifteen facial muscles will contract
So your fucking zygomatic muscle will react
While your epiglottis half closes your larynx
-Clap!

That's why the fuck should I
