

## This Is A Baby

Sparks

This is a baby  
This is my baby  
My baby has a special talent  
That your baby doesn't have  
If your baby had this gift  
Wouldn't you want to share that gift with the world?

This is a baby  
This is my baby  
My baby has a special talent  
That your baby doesn't have  
This talent deserves to be shared with as many  
People and as many places as possible  
To do otherwise would ruin Annette's future
