

Hello Rabbit

Sparta

There's no better place, there's no better plan
You can come with me, you can take my hand
I believe in you, like you believe in me
Hello rabbit, you're all I want to see

'Cause I miss you
'Cause I miss you

Everything I've done, led me to now
You stuck it out, can't imagine how
You carry all my weight, when I struggled to
Hello rabbit, all I want is you

'Cause I miss you
'Cause I miss you

There's no better place, there's no better plan
You can come with me, you can take my hand
I believe in you, like you believe in me
Hello rabbit, you're all I want to see

'Cause I miss you
'Cause I miss you

Everything I've done, led me to now
You stuck it out, can't imagine how
You carry all my weight, when I struggled to
Hello rabbit, all I want is you

'Cause I miss you
'Cause I miss you

Home is everything
Home is everything
Home is everything
Home is everything

Home home is everything
Home home is everything
Home home is everything
Home home is everything...
