

Slip Away

Sparta

I reach my hand out
And offer everything
But I'm disappointed
In what I see
There's an opening
A slight delay
So I pick myself up
And I slip away

Yeah yeah yeah, yeah yeah yeah
Holding out for something new
Yeah yeah yeah, yeah yeah yeah
Holding out for something true

After all this time
I'd give anything
To relive that moment
Do the right thing
To own it
So I could stay
Keep control
Then slip away

Yeah yeah yeah, yeah yeah yeah
Holding out for something new
Yeah yeah yeah, yeah yeah yeah
Holding out for something true
