

## Anyway

Sparzanza

Welcome to this dream again  
It is all in your head  
It will let you feel insane  
Hold you to your bed  
Digging deeper in your in mind  
Behind your eyes  
Getting darker, feeling blind  
Never see the light  
Now... is the time

TO DIE AND TO GET DOWN AGAIN  
I NEVER SAID I'D TAKE YOUR PAIN  
ANYWAY  
TO LIVE AND TO GET UP AGAIN  
I NEVER SAID I'D TAKE YOUR PAIN  
ANYWAY

Run your hands across your face  
It is taking shape  
Like it knows you're stuck in a maze  
Feeding on your hate  
Now... is time the time
