

## Going Down

Sparzanza

Did you see my hatred rise?  
Did you feel my rage inside?  
I try to be calm  
I'm pushing it down, pushing it down  
But I get so fucking furious  
Out of my mind  
You will feel it  
You will taste it  
Come on  
I WILL BE THE ONE THAT HUNTS YOU  
I WILL BE THE ONE THAT ENDS YOUR LIFE  
YOU BETTER KEEP ON RUNNING  
YOU ARE THE PREY, YOU'RE GOING DOWN  
What goes around, comes around  
I've shut my eyes, but not this time  
I'm ready to fight, I'm crushing your pride  
I'm bringing you down, 'cause I feel so fucking furious  
Out of my mind  
You will feel it,  
You will taste it  
Come on  
I WILL BE THE ONE THAT HUNTS YOU  
I WILL BE THE ONE THAT ENDS YOUR LIFE  
YOU BETTER KEEP ON RUNNING  
YOU ARE THE PREY, YOU'RE GOING DOWN
