

In My Control

Sparzanza

Give it, give it a go and tell it to my face again
How could, how could I have known that everything I've done is
in vain?

And I've been touched by the hands of god, you will feel this
I am not sure you've understood, who my god is

YOU TOOK WHAT WAS MINE, BUT NOW IT IS TIME

BODY & SOUL

I WANT YOU IN MY CONTROL

How can, how can it be so f**king hard to understand?

Now you, now you will see why they call me Satan's hand

And I've been touched by the hands of god, you will feel this

I am not sure you've understood, who my god is

YOU TOOK WHAT WAS MINE, BUT NOW IT IS TIME

BODY & SOUL

I WANT YOU IN MY CONTROL
