

## Music To Interrogate By

Sparzanza

There is time for you to save  
So why don't you dig your own grave  
And if you want me to, I'll even come and help you  
There is space for you to make  
Like you did before, it's for you to take  
And if you let me to, I'll even show you how to do

GOD DAMN HOW QUICKLY YOU FADED  
I'VE NEVER BEEN INTERROGATED  
DESPITE AND DESPAIR, GOD DAMN HOW QUICKLY YOU FADED  
I'VE NEVER BEEN INTERROGATED  
DESPITE AND DESPAIR

There is much for you to say  
So why don't you ask my mind to stay  
And if you're asking nicely, you will feel my anger rising  
Where is the time for you to save?  
When you're digging your own grave  
And if you want me to, I'll put the dirt back over you
