

## Pay The Price

Sparzanza

Give me your hand and I will take you home  
Give me the sun and I will make it explode  
Hand me a jacket and I'll make it look cool  
Make me a star so that I can fall  
Lend me some money, I will win some more  
Shed me a tear, later on when I'm broke  
Lend me your body, c'mon spend the night  
Make me a man so that I can die

NOW, LISTEN TO THE SILENCE SCREAMING  
WHAT YOU HEAR IS WHAT I'M CRAVING  
NOTHING! FOR A PRICE I HAVE TO PAY  
AND AS YOU WATCH THIS BLIND MAN STARING  
HEAR THIS MUTE SAY WHAT HE NEEDS  
KNOW! THIS IS THE PRICE TO PAY FOR GREED

Tell me what happens with a millionaire  
When all the lights burns out in his eyes  
I wanna know that the man I'll become  
Can make a living, when I'm gone  
Let me sleep with all the women on the street  
So I will hurt the ones I really love  
Give me three wishes, I will wish for three more  
I wanna have it, I want it all
