

## Son Of A God

Sparzanza

God, help me please  
I've got a bad disease  
I try to close my eyes again  
I try to go  
A long way from home  
I'll take your light, I'll take it away  
I'll put your life out  
I'm gonna take it any day  
You won't even see me coming  
Stop running!

I'M THE MESSENGER OF DEATH, AND I'M GONNA TAKE YOUR BREATH 'TIL  
THE BREAK OF DAWN  
STOP RUNNING, TURN AROUND, LISTEN HARD AND YOU WILL HEAR MY SON  
G  
I'M THE SON OF A GOD

God gives me sights  
In the darkest of nights  
I try to be the one I should  
I try to see  
What he wants me to be  
I am the light, who takes it away  
I'll put your life out  
I'm gonna take it any day  
You won't even see me coming  
Stop running!
