

All I Know

Speaker Knockerz

All I know is money I can't get enough
My fingers they be itching just to count it up

All I know is money I can't get enough
My fingers they be itching just to count it up
Got a bad bitch yeah she bad as fuck
But I don't trust these hoes so I can't fall in love

All I know is money I can't get enough
Black-on-black Camaro and it's fast as fuck
Hoes be on my dick cause I'm rich as fuck
They keep calling my phone but I won't pick it up
I got a bad bitch she got dumb tats
Sticking to the script like a thumbtack
I don't love these hoes that's fun fact
You ain't trying to fuck, bitch don't come back
Everybody want to act like they know me
Small circle, fuck niggas, we ain't homies
All these niggas phony
Say hello to my friend I think I'm Tony

Condo 'round my wrist, condo 'round my neck
I ain't trying to talk if it ain't 'bout a check
Hoes be playing games I wish we never met
I don't want the sex, I just want the neck
Big booty ho I told her bring that Binack
No matter where I'm at I got Crinack
Cash out bitch we splurging got them rinacks
In the club going hard got that sinack
