Just a while ago I used to wear the same clothes

Skurt skurt hold up pull up take yo main ho  
She off the molly I'm gone off the weed

And if you don't like it ho tell it to these  
It's easy I make no mistakes when I count up the cake  
But boy if I do man I swear its okay  
Cause I didn't even do nothing today  
I don't know why you don't like me?  
Cause gold round my neck and I'm icy?  
I got a few guns I shoot em' for fun  
and make them fuck niggas go nighty  
Yellow bone she got the clappas  
She can't fuck with you broke bastards  
Fuck all you pussy ass rappers  
All of you rappers are actors
