Games

Speaker Knockerz

You gave me another reason not to trust a bitch.
Runnin' round here playin' all these games and shit.
But I don't know why I can't get you off my mind,
Just hit my phone you know I'll be there all the time [x2]

She drive a Honda, body like Beyonce, face like Rihanna.
Damn she fine bruh, I can't wait to get behind her.
But here's the thing though, she playing games like bingo,
Say she like my lingo, she giving mixed signals,
Son tonight man I'm like fuck it I'm single, fuck it I'm single
,
Fuck it I'm single, fuck it I'm single, fuck it I'm single,
Single like a Pringle. Got damn this bitch got me fucked up,
I knew I shouldn't have kissed her ass up in that club.
And I'm glad I didn't fall in love, cause all I know is money I
can't get enough.

You gave me another reason not to trust a bitch.
Runnin' round here playin' all these games and shit.
But I don't know why I can't get you off my mind,
Just hit my phone you know I'll be there all the time [x2]

She tried to play me like a fool, but I'm straight,
I'm straight, Bitch I'm straight.
She tried to come back in my life but its too late,
Too late, bitch its too late.
I swear I don't even know why I try, I try, why the hell I try,
I'm sick and tired of yo games and yo lies, yo lies, yo lies.

You gave me another reason not to trust a bitch.
Runnin' round here playin' all these games and shit.
But I don't know why I can't get you off my mind,
Just hit my phone you know I'll be there all the time [x2]
