

On My Mind

Speaker Knockerz

I go your ho on my mind
These clothes on my mind
Them racks on my mind
That sack on my mind
That Louie on her mind
That Gucci on her mind
We never spending time
But my dick on her mind

I go your ho on my mind
These clothes on my mind
Them racks on my mind
That sack on my mind
That Louie on her mind
That Gucci on her mind
We never spending time
But my dick on her mind

Walk inside the club I'm the freshest nigga
Yeah we fresh to death man we just killing niggas
Crazy thing about it I've been getting dough
Different types of clothes, different types of hoes
I got a main bitch, keep her mistress
But she keep calling my phone whats wrong with this bitch
And that's the shit I don't like
Coming through that check nigga every night

I go your ho on my mind
These clothes on my mind
Them racks on my mind
That sack on my mind
That Louie on her mind
That Gucci on her mind
We never spending time
But my dick on her mind

I go your ho on my mind
These clothes on my mind
Them racks on my mind
That sack on my mind
That Louie on her mind
That Gucci on her mind
We never spending time
But my dick on her mind

I'm all about a sack I want every dollar
Got a stupid check the hoes wanna holler
Everywhere I go I'm the main trend
And if a nigga try me he 'gone meet my friend
If I want it then I buy it fuck that price tag
Don't leave your girl around me cause I might smash
And you know I'm on my grind
And if you ain't talking money then you wasting my time

I go your ho on my mind
These clothes on my mind
Them racks on my mind

That sack on my mind
That Louie on her mind
That Gucci on her mind
We never spending time
But my dick on her mind

I go your ho on my mind
These clothes on my mind
Them racks on my mind
That sack on my mind
That Louie on her mind
That Gucci on her mind
We never spending time
But my dick on her mind
