

That's All

Speaker Knockerz

It's the Speaker Knockerz

I just want the cash, that's all
Count a lot of racks, that's all
Let that money stack, that's all
Spend and get it back, that's all

That's all, that's all, that's all [x4]

Yo ho like me because I ball
When you ain't there I'm who she call
I'm tryna stack this money so tall
I ain't worried 'bout you niggas at all
All these bad bitches on me
Ballin' hard, watch me shoot this 3'
Finessin' class, boy have a seat
I took your bitch and gave her a treat
Everyday I thump through a check
I just hit your ho with a text
She just wants me because I'm next
And she like it how I flex and finesse

Don't go nowhere without a sack
Black on black, that shit go so fast
My pockets so beast, they so fat
I love fucking hoes, that's a fact
I don't fuck with niggas that's fake
If you're fake, then we don't relate
You know I'm all love 'bout my cake
I've been counting money all day
