I don't know but I've been told  
  
I don't know but I've been told  
  
But this club here is mighty cold  
  
I've been here to make it hot  
  
We're dancing in the reckless-club  
  
I wanna here the fellows shout:  
  
Oh come on ladies loose your doubt  
  
I wanna wanna here the ladies say:  
  
No worries guys we're on our way
