

Who the Hell is Buying That Crap_

Special Duties

It's all hyped up and it's full of shit
So who the hell is buying it
Brit pop, power pop, call it what you will
The whole concept is making me ill

Who the hell is buying that crap
Tell me who is buying that crap

Liam's fucking patsy, who gives a shit
Everyone has and she's proud of it
Mtv says he's leaving the band
Then they say he aint on the other hand
