

All Red

Speedy Ortiz

A seal upon the sea
A king who fathered me
Am I no one?
Am I ocean, finally?

Just a baby
Just a silky baby
Hello, hunter
Shot me and my progeny

All red upon the sea
All red upon the sea
All red upon the sea
All red upon the sea

Half a man
Half-man dead of husbandry
Hello, hunter
You'll be sorry

All red upon the sea
All red upon the sea
All red upon the sea
All red upon the sea
