

Let's Get Evicted

Speedy Ortiz

All the same keys, drum the same beats
We walk the same way and on the same streets
Share the same house, the same dog at our feet
You wanna be me and I wanna be me

And I wanna be you. I wanna be you
We got this doppelgangbangin' routine
Give me a promise. Give me your hard-earned drunk liberty
Let's sew ourselves back up tight

And shut in a cocoon, or let's freeze in a cave
If bears eat our frost-bit bodies, there are worse fates
Let's kiss off a cliff. Take a nap in a grave
Let's get evicted and torture our enemies

You wanna be you, you wanna be me
I wanna be you, I wanna be you
I wanna be you, I wanna be you
I wanna be you, I wanna be you
