We shop the same clothes from the same place
We got the same pretty face, same small waist
Maybe the same man, we got the same taste
The same long hair, we got the same lace
Same body weh cock up, we got the same shape
Same food, fridge stock up, we eat the same grape
We got the same house, the same landscape
Everything is the same but get it straight
We got the same thing we ano the same thing
Gyal me deh a first class yuh deh a the plane fin
Continue hating we ano the same thing
We got the same but we ano the same

Gyal a gwaan a carry-on
But me deh pon another level me nuh see dem at all
Not at all me nuh see dem at all
Cah me deh pon another level me nuh see dem at all
Dem nah connect like when we reject a call
Cah me deh pon another level me nuh see dem at all
None at all we nuh see dem at all
Cah me deh pon another level me nuh see dem at all

Me nuh ordinary, me inna different category
Gyal a fi watch me like a mea dem inquiry
Battery dolly-ly-ly wull a dem just set fi me
Dem a secondary cyah chat to me, dem temporary
Different category, different category, different-
different, inna different category
Ordinary mi neva, ordinary mi inna different-
different, inna different category
