

Different Shit

Spice

Right now me focus like di horse pon track
Spice say dat

Ain't got no time for the bullshit (ah it dat)
I'm in my prime, gotta keep pushing
Ain't on my mind 'cause I got a vision

I speak truth like Bible, don't have time to idle
Some gyal life wan' recycle
Mi dreams and mi thoughts dem high like di Eiffel
Right now, me deh pon a different level
Nah sekkle fi a likkle fight fi find a nickel
My money fi ah triple, n'ave no time fi giggle
Focus pon di goal like when ball ah dribble

We on some different shit
Ain't got no time for tricks
We just be stacking bricks
I'm on my grind, ain't wasting time
We on some different shit
Damn right we'll fight for it
'Cause my kids survive off this
Still on the grind, ain't wasting time, no

Dem cyaan' do what I do
Dem cyaan' walk inna my shoe
Undisputed idol, still ah win
Make some gyal suicidal
Tell some gyal, "don't size up"
Dem ah plot up and me see di lies rise up
But me live it and me learn, so me wise up
I'm on a different shit, no franchise up

We on some different shit
Ain't got no time for tricks
We just be stacking bricks
I'm on my grind, ain't wasting time
We on some different shit
Damn right we'll fight for it
'Cause my kids survive off this
Still on the grind, ain't wasting time, no

We on some different shit, ohh
Ain't got no time, ohh
I'm on my grind, ain't wasting time
Ooh

We on some different shit
Ain't got no time for tricks

'Cause my kids survive off this
Still on the grind, ain't wasting time, no
