

Duffle Bag

Spice

Let me see that bag if you got it
Got, got, got, got it
Let me see that bag if you got it

I pop this booty when I see the duffle bag
I make it clap when he pull them rubber bands
Shake for the cash, shake for the stacks
Broke I ain't fuck with you, I tell you straight facts
When I walk out bitches pass out
Batty rider, I got my ass out
Nigga see me, take him stack out
Unravel those elastic band out
Shake my ass to the beat, Gucci on my feet
Inna di club bumper up and down
Pon the ground a so me do it
I drop this booty when I see the stack
In the Rolls Royce and I laid back
Rolex on my wrist going tick-tock
Price tag when I shop, don't check that
Spend my money like Christy Walton
