Nice, hot body, skin clean so I weep it out
Drop it on the beat and shake it up, that's how I bring it out
My waist jumping up and down, he likes it how I flip it out
The way I, the way I, the way I jump upon it
I own the beat, I wanna cuff it like have cuffles on it
Bumpa big, I blast off like a rocket on it

Mi waist ah spin like four wheel pon a pump
Everybody phones out, nuh know who I am
Hot sexy body, put it pon di Instagram
Buss it like a matic, an acrobatic
