

Rolling

Spice

Every now and then
I like to get a strong man to lift me off my feet
But to be quiet honest
Before a man comes to me
He gotta drink some Magnum Tonic Wine
If you know what I mean...
Lets go!

Rolling, rolling, my body, it's rolling
Rolling, my booty rolling
Rolling my bumpa
Since yuh beg some go drink yuh Magnum

A suh mi siddung and a bubble, suh mi flick and a split
Mi have a whining habit, suh mi bumpa jump like rabbit
Mi body thick suh admit it
Man affi strong fi lift it
Yuh lift it, lift it up

Because ooooooh, ooooooh yeah
