Bessy's Last Journey

Spiderbait

Everybody needs a holiday Everybody wants to get away Don't you want a week of Saturdays? Everybody needs a holiday

Give yourself a break from every day Take your troubles, pack them right away It's so easy just to sail away Everybody needs a holiday

It's a pretty day to get away Such a pretty day to get away Everybody needs a holiday

Take a trip out to the Milky Way Stay inside and order takeaway Don't you know the way to San Jose? Everybody needs a holiday
