

The boat's gonna roll if you get on board
And the folks down below
Well they're going loco
No place left for the boat to go
And it's looking like stone
Why don't you get off the boat
Why don't you get off the boat boat
Why don't you get off the boat
Why don't you get off the boat boat boat boat boat boat boat boat boat
at boat boat boat boat boat boat boat boat boat boat boat boat boat
boat boat boat boat boat boat boat boat boat boat boat boat

The boat's going to go with the rocking soul
The boat's going to go and I'd like to welcome
Everybody looking for a place to roll
And you been looking like stone
Why don't you get off the boat
Why don't you get off the boat boat
Why don't you get off the boat
Time that you got off the boat boat

The boat's going to roll with the rocking soul
The boat's going to go and I'd like to welcome
Everybody looking for a place to roll
And they're looking like stone
Why don't you get off the boat
Why don't you get off the boat boat
Why don't you get off the boat
Time that you got off the boat boat

Get off the boat
